## PWI ANNOUNCES PARTNERSHIP WITH FIELDTECH AVIONICS & INSTRUMENTS, INC.

*Fieldtech Avionics & Instruments Becomes An Authorized Installation Center For PWI*

May 13, 2019 Wichita, KS: Fieldtech Avionics & Instruments, Inc. has officially signed on to be an Authorized Installation Center for all of PWI's LED lighting products. Fieldtech Avionics & Instruments is located in Fort Worth, Texas and has been in business servicing the aviation community for over 40 years.

Fieldtech Avionics & Instruments, Inc specializes in repairs as well as aircraft and avionics sales. They are an FAA/EASA approved repair station #3WR1R594K ensuring all repairs meet mandated requirements. Fieldtech Avionics has an extensive parts list boasting over 35, 000 different parts. In addition they continue to update their repair capabilities daily to meet the needs of the customer. If Fieldtech doesn't have it, just ask. They are a trusted dealer for Rockwell, Garmin, Telephonics, Freeflight Systems, Avidyne and now an Authorized Installation Center for PWI. With being a trusted dealer for these companies and having an extensive parts list, Fieldtech Aviation proves their dedication to meet the customer needs. PWI is excited to partner with a company that is an FAA/EASA approved repair station that we can trust to provide quality repairs and service to their customers.

Since being established, PWI has grown from coil winding to a diverse range of aircraft lighting products and more. PWI manufactures several interior lights for Beechcraft King Air aircraft and has in-house ability to design, engineer and manufacture all types of electrical assemblies, electronics contract manufacturing, magnetometers and customized LED lighting solutions.

For more information, please feel free to contact PWI at +1-316-942-2811 or contact our Marketing Strategist, Taylor Slavens, at [taylor@pwi-e.com](mailto:taylor@pwi-e.com).
