AVIATION PRODUCTS FLUORESCENT LIGHTING SOLUTIONS

For over 50 years, PWI has offered unique fluorescent light and power supply systems handcrafted to OEM specifications.

Our artisans are capable of producing more than 1800 different fluorescent lighting options to fit every part of a cabin's interior from lavatory to galley. PWI ships all fluorescent lighting to arrive intact and ready to install.

PWI is the trusted OEM supplier of fluorescent cabin lights and power supplies for Falcon, Gulfstream, Citation and Learjet.

PWI is also the cabin light OEM for Beechcraft King Airs.

Ready to update to LED? PWI also provides LED lighting options.
