## LED LIGHTING INTERIOR UPGRADE

Refresh Your Citation with PWI LED Cabin Lights.

Check out the PMA-approved LED cabin lights from PWI. These LED systems replace all of the fluorescents in the cabin, galley and lav. One simple plug-and-play LED kit makes that possible.

No more high voltage ballasts, flicker, hum or buzz. Add PWI LED reading lights for a complete cabin refresh. PWI LEDs are the final no-maintenance lighting solution.

Get the look of a new Citation without the cost. PWI – the OEM lighting provider for your Citation 525, 550, or 560 cabin LEDs.
